

CHAPTER THREE

ZONE ORGANIZATION, DISTRICT MEETINGS AND DISTRICT COMMITTEES

I. ZONE ORGANIZATION

Zones serve as a vital link in the LWML organizational chain by promoting Christian fellowship and furthering the object of the LWML through individual members and groups. Zones have delegate representation at national conventions, and are encouraged to select Young Woman Representatives to attend district conventions. Individual groups within a convenient geographical area comprise the 12 zones of the Kansas District. Zones provide encouraging support for district and national mission grants and serve as a forum for business to be transacted at district conventions. Zones do not adopt mission grant projects and do not have money-making projects.

A. DELEGATE REPRESENTATION AT LWML CONVENTIONS

1. The number of delegates allowed is determined according to national bylaws: Zones having ten or fewer units may send one certified delegate; larger zones may send one certified delegate for each additional ten units or major fraction thereof as of January 1 preceding the convention. When two or more LWML groups exist within one congregation, they are considered a single unit for purposes of representation at national conventions.
2. Delegates to LWML conventions are chosen by each zone at the fall meeting preceding the convention according to the method designated in the bylaws. The Zone President certifies delegates and alternates and sends names to the District President for submission to the national Recording Secretary, using forms provided by the District President
3. Following the convention, the delegate(s) is expected to report to zone rallies and/or meetings of groups in the zone. She may be offered mileage or an honorarium for these services. A comprehensive report should include:

The emphasis on leadership training will allow committees to become better acquainted, and develop goals and objectives to be emphasized during the biennium.
 - Zone counterparts (zone chairmen of Caring Service, Christian Life, Gospel Outreach and Special Focus Ministries), zone pastoral counselors and group presidents are included in odd-numbered years. District standing committees plan sectionals for the general assembly portion of the meeting, and meet with zone counterparts to provide information and materials helpful to them in carrying out their responsibilities on the zone level.

 - Providing copies of the manual to the Archivist/Historian.

E. ELECTRONIC MEETINGS AND VOTING PROCEDURES

Electronic media have become increasingly vital means of communication, and have allowed organizations to conduct business more efficiently and quickly, and at less expense. If a district, zone or group wishes to take electronic votes they must first be sure the procedure is allowed in their bylaws. If not, bylaws must be amended to allow for voting by email. Rules for conducting the email vote should be in the standing rules or procedure manual.

1. Opening a Question for Consideration

- All participants must have access to the necessary equipment for email voting. If any participant lacks access, an e-vote cannot be taken.
- The chair (president or committee chairman) establishes the time frame for the e-vote.
- A minimum (hours or days) notice shall be provided to all participants via email, fax or telephone by the secretary or chair. The notice will include the motion and supporting documentation for the e-vote.
- A second is not necessary for the motion to be considered.
- Each new main motion must be made in a separate, new email message with no other message thread included.
- The chair assigns a number to the motion and includes the number in the subject line. (Example: Motion 1.)
 - The subject line must include the word "Motion."
 - The first line of the message must begin with "It is moved that..." Or: "(name of officer) moves that..."

2. Debating the Question:

- Members use "Reply All" in all messages.
- Members may respond at will, without seeking recognition from the chair.
- Secondary, or amendment motions, are given a letter designation in the subject line by the chair. (Example: The main motion is Motion 1. There is a motion to amend. The subject line of the amendment will be designated Motion 1.a.)
- The chair closes debate by asking, "Are you ready for the question on Motion 1.a?" in the subject line.

3. Voting:

- The chair puts the question to a vote by restating the pending question and requesting members to vote now. The word "vote" shall be in the subject line (example: Motion 1.a Vote).
- The chair shall include the time frame/deadline for the vote.
- Members shall state, "I vote yes," or "I vote no," in the first line of the response and use "Reply All."
- The secretary tallies the votes and reports the vote to the participants, including the number of votes cast for and against the motion.
- The chair announces the results of the vote.
- The chair states the next pending motion and opens debate (example: Motion 1), or declares the thread closed.

4. Secretary's Minutes:

- The secretary compiles and maintains the complete thread of the motion, including all secondary motions.
- The secretary prepares minutes of the vote and sends minutes marked "draft" to all members.
- Minutes will be approved at the next regular meeting.

III. CONVENTION TELLER COMMITTEES

- A. The District President will appoint a Teller Committee and name a chairman for each ballot of the convention (Officers and Pastoral Counselor, Mission Grants and God's Gracious Gift Fund)
- B. The District Recording Secretary will serve as Credentials Chairman for the convention, and will:

1. Review the voting procedure with the Board of Directors at the Board of Directors meeting held prior to the convention.
 2. Review the voting procedures with the convention delegates as indicated in the convention agenda.
 3. Hold all ballots in a secure place following completion of the balloting, and deliver to each Teller Committee immediately preceding the counting process.
 4. At the conclusion of the counting process, obtain all ballots from each Teller Chairman and hold them in a secure place until the close of the convention, after which ballots are to be destroyed.
- C. The Parliamentarian will:
1. Inform each Teller Committee of the time and place for counting the ballots, as designated by the Convention Chairman.
 2. Review the ballot counting procedures with the Teller Committees at the Board of Directors meeting held prior to the convention.
 3. Prepare Tally Sheets and Report of the Tellers forms (see Appendix) for each item on the convention ballot, giving each Teller Committee an adequate supply to use in recording votes cast.
- D. Teller Committee Procedure for Counting Ballots
1. Tellers will be divided into three main groups: Officers and Pastoral Counselor, Mission Grants, and God's Gracious Gift Fund.
 2. Begin with prayer.
 3. Separate ballots into stacks of 25, and label each stack (A, B, C, etc.).
 4. One person, with the committee parliamentarian observing, will read the results of each ballot. At least three tellers will record the votes received on a separate tally sheet.
 5. After all votes are read and tallied, if the tellers' counts are in agreement, the counting is completed.
 6. If there are discrepancies between the tally sheets, determine in which stack the discrepancy occurred (A, B, C, etc.) and repeat the process for that stack.
 7. Complete two copies of the Report of Tellers (see Appendix), with each teller signing the report.
 8. As a courtesy to the President, the Chairman of the Tellers' Committee for Mission Grants and/or God's Gracious Gift Fund Grants recipients prepares, in the presence of all tellers, a separate report of the grant recipients in the order of selection to total the adopted allocations (see Appendix).
 9. All results are to be kept confidential until announced in a convention session.
 10. Return counted ballots to the Recording Secretary, who will destroy them at the conclusion of the convention.
- E. Questions about Ballots and Voting
1. Blank ballots are discarded and not counted.
 2. When two ballots are folded together and one ballot is blank, it is discarded and the other ballot counted. If both ballots have been marked, they are recorded as one illegal vote and not credited.
 3. The type of mark used (check-mark, "X", etc.) is irrelevant as long as the intent of the voter can be determined.
 4. If a voter votes for some officers but not others, votes are recorded for those offices voted; blank offices are not counted.
 5. A vote for an ineligible officer candidate is recorded as an illegal vote; however any legal votes on the ballot are counted.
 6. A write-in vote for an officer who was not nominated, although who would have been an eligible candidate, is recorded as a write-in vote for that individual. The individual's name is added to the tally sheet and that vote is made part of the report.
 7. A voter has the right to vote for fewer than the maximum number of Mission Grants or God's Gracious Gift Fund Grants. The votes cast are the votes tallied.
 8. A ballot marked with more than the maximum number of Mission Grants or God's Gracious Gift Fund Grants is counted as an illegal vote.
 9. When a tally team is uncertain of the voter's intent, the questionable ballot is set aside for the whole committee to examine. A majority vote of the committee will decide how the ballot is recorded.

10. More votes are cast than the number of eligible voters reported by the credentials committee. If the difference will not change the outcome of the vote, the discrepancy is noted on the tellers' report, but the vote stands. If there is any possibility that such ballots might affect the result, the entire ballot vote is null and void, and re-balloting is required.
- F. Reporting to the Convention
1. Report of the Tellers for Officers:
 - In a business session of the convention, the Chairman of the Tellers for Officers reads the report and gives a signed copy to the President and the Recording Secretary, but does not announce who is elected.
 - The President re-reads the report and announces who is elected for each office as it is read. A candidate must have received a majority of the votes cast to be elected. If no candidate for an office has received a majority, balloting will continue until there is an election.
 2. Report of the Tellers for Mission Grants and God's Gracious Gift Fund Grants Recipients:
 - In a business session of the convention, the Chairman of the respective tellers' committee reads the report and gives a signed copy to the President and the Recording Secretary, but does not announce which grants were selected.
 - The President re-reads the report and announces which grants were selected. If two grant recipients receive the same number of votes, the one with the earliest submission date receives preference. If both have the same submission date, re-balloting is required for the tie vote.

IV. CRISIS MANAGEMENT TEAM AND EMERGENCY PLAN

- A. Team Structure
1. A Crisis Management Team will consist of at least three members appointed by the President, including a Vice President or other Executive Committee member, Meeting Manager, and a Pastoral Counselor (President and Recording Secretary are excluded). For large meetings and events, additional members may be added at the discretion of the President. The team members' names and cell phone contact information will appear in the agenda or program information given to all attendees.
 2. The team shall be familiar with the emergency plans established by the management of the host site in the event of an illness, injury, fire, or weather-related emergency.
 - In the event of an injury or illness, the District Meeting Manager will request EMS care via a 911 call.
 - In the event of a fire or weather-related emergency, the team will work with the site manager to provide emergency instructions and precautions to the attendees.
- B. Health and Emergency Information
1. All attendees will complete a Participant, Acknowledgement, Waiver and Release Form (PAW) Form when registering for a meeting or event, to be updated annually (see Appendix).
 2. Forms will be kept confidential and used ONLY in the case of an emergency.
 3. The Meeting Manager will maintain the forms on file and have them available for reference at all meetings and events.
- C. Medical Emergencies
1. In the event of a medical emergency, the Crisis Management Team will immediately go to the person(s) involved.
 2. The Meeting Manager will request EMS care via a 911 call.

 5. The Pastoral Counselor contacts the person's roommates to locate medications, if any.

6. If transportation to a hospital is required, a member of the team will accompany the patient to the hospital/emergency room and will make the President aware of the situation. (The team member may or may not be able to directly accompany the patient in an ambulance.)
 7. If diagnosis/care at a hospital is required, the President will notify the person's family or emergency contact. No statement or identification of the person should be released until family members have been notified.
- D. Crisis Incident Reporting
1. The Meeting Manager will provide complete written documentation of illness, injury, fire, or weather-related emergencies, using the LWML Crisis Incident Report Form (see Appendix).
 2. Copies of the document, including any supporting data, consent forms, etc. will be provided to the District President.
 3. Complete written documentation of the emergency will be retained in a crisis incident report file (either paper or digital) for a period of eight years.
